

Hello Everyone! We are pleased to send confirmation of a date for the two day **Tinnitus Management Workshop (TMW) taking place in Calgary, AB on November 14th and 15th, 2015.** The workshop will be held at the tranquil setting of **Elbow Springs Golf Club**, located about 15 minutes **West on Highway 8, just off of Glenmore Trail South (heading West).** **Watch for the golf course signage and then turn left onto Lott Creek Drive, (into area called Elbow Valley).** **Follow Lott Creek Drive to the end and take your left to follow the road into the golf course. You will see the clubhouse to the left of the parking lot, and go upstairs into the Springs Room.** A nutritious Welcome breakfast, lunch, snacks and beverages are provided both days.

This will be our 15th workshop and we improve it each time. On the website listed below, you can read "Inspiring Messages of Hope" by previous participants. The workshop continues to be extremely comprehensive and includes more than 120 PowerPoint slides, teachings from two professionals each with over 30 years experience, 70 page reference booklet with home practice exercises, interactive exercises, demo materials and books and articles for your review. We bring an incredible amount of knowledge from multiple disciplines to share with you over the two days. In the last three years we opened up the workshop to include significant other for support and they can attend for an additional **\$50**. This has proven to be consistently positive for both the person with tinnitus and also the significant other as well in terms of increased understanding for support but also the tools taught are applicable to any of life's challenges. In addition, for those who have previously taken the workshop but wish to attend as a Refresher, there will be a reduced fee.

You can register and make payment directly through: ears@hopefortinnitus.com Simply click the 'Fees Section' and choose the 'cart option' with PayPal. Receipt of payment is your confirmation for a reserved seat in the workshop. You will receive a receipt and your materials at registration. We encourage you to confirm your registration as soon as possible as there is a maximum of 15 people per class. **When this class fills, we will be hosting it again November 28th and 29th, 2015.** The next class will not be until the spring of 2016. If something prevents you from coming, there are no refunds, however you are able to attend the next workshop with us.

Registration and breakfast will take place at 8 am on both days. The workshop begins at 830 sharp and closes at 5pm both days in order to cover everything we have prepared for you. PLEASE BRING YOUR MOST RECENT AUDIOGRAM WITH YOU.

Warm Regards,

Deborah Lain, MSc, Registered Psychologist & Tinnitus Health Specialist
Suzanne MacLaren, MA, Registered Audiologist & Tinnitus Education and Resource Specialist
